BEST CITY

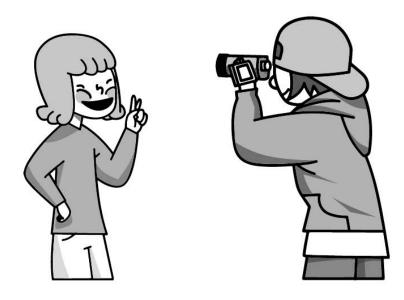

Hello, my name is Jen. I am from Scotland. My favourite city is Edinburgh.

Edinburgh is a very big city. It is the capital city of Scotland. It is very beautiful. There is a castle in the middle of the city. The castle is very big.

Also, there are nice parks in Edinburgh. You can walk, run, have a picnic and relax in the parks.

In Edinburgh, there are lots of shops, restaurants, cinemas etc.. to have fun in. It's fantastic! I have lots of friends in Edinburgh.

I love this city!
