BEST CITY

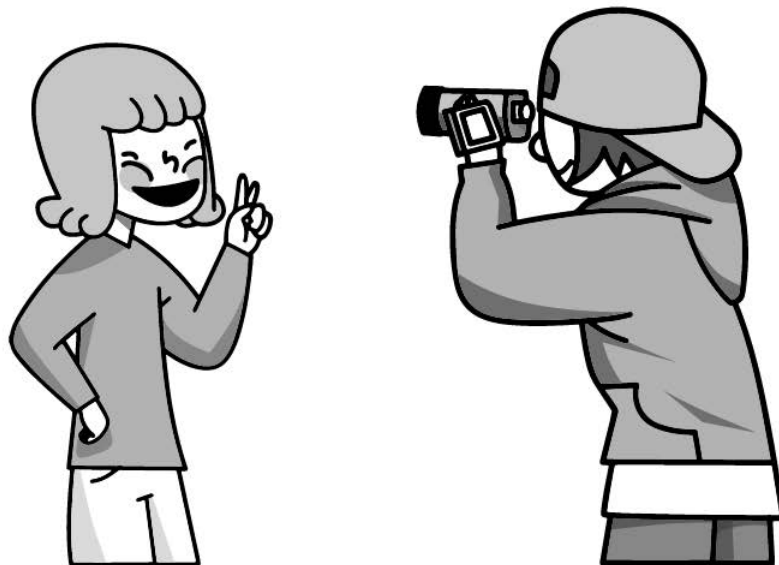

Hello, my name is James. I am from England. My favourite city is San Francisco, a city in California. It is a big and beautiful city.

San Francisco is a city by the sea. You can go to the beach and practice water sports like sailing, swimming and waterskiing.

There are lots of parks to relax, walk, run and have a picnic in. It's great. Also, there are lots of shops, restaurants, cinemas, etc... in the city.

I have lots of friends in the city too. I have friends from the hospital, the basketball team and the neighbourhood.

I love this city!
