MORNING ROUTINE

Hi, my name is James. I am from England. I don't like morning routines. I am lazy in the mornings. I usually get up at 7:00 in the morning. Sometimes, I have a shower. Then, I get dressed and I eat breakfast. I always eat breakfast with my wife Liz. I usually eat a sandwich and I drink orange juice for breakfast. After breakfast, I brush my teeth and I go to work. I work in a hospital in San Francisco. I start working at 8:00.

When I get to the hospital, I usually have a coffee.
