FAVOURITE COUNTRY

Hi, my name is James. I am English. I like a lot of countries because I love travelling and I like the United States of America because I am living there.

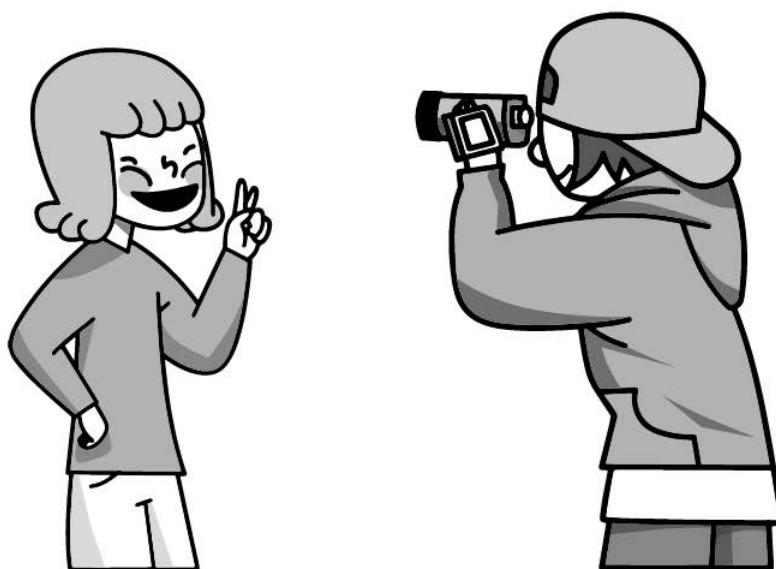

But I love England. I am from England. It's my favourite country.

I love England because I have all my family there and I miss them. I miss the "fish and chips" too.

Also, I think England is a very beautiful country. The landscape is beautiful. I love the mountains, lakes and rivers. Everything is green. The only thing that I don't like is the weather. It rains a lot and I prefer the sunny weather.

People are friendly in England.

In my opinion England is a great country to live. I love England!
