FAVOURITE HOBBY

Hello, I am James. I am from England. My favourite hobby is reading. I love reading novels because I feel good when I read. I read every day. I usually read when I get home after work. I like sitting on the sofa with a book and a cup of coffee and reading. This is a fantastic moment for me.

Also, I love playing basketball with my team. I train three times a week and I play a match at the weekend. I play with my friends. Most of the players in the team are hospital workers. We have a lot of fun.
