WEEKLY ROUTINE

Hello, my name is James. I am from England. I work in the hospital from Monday to Friday as a doctor. I love my job. I start working at 8:00.

I always have lunch in the hospital at 1:00. I eat lunch with other doctors and nurses. We have fun in the cafeteria. After lunch I start working again at 2:00 and I finish work at 5:00.

After work, I like reading at home, watching TV, cooking, walking in the park with my wife Liz, riding my bicycle and playing basketball with my basketball team.

At the weekends, Liz and I usually relax and we go shopping, walking and visit the mountains, etc...
