FAVOURITE HOBBY

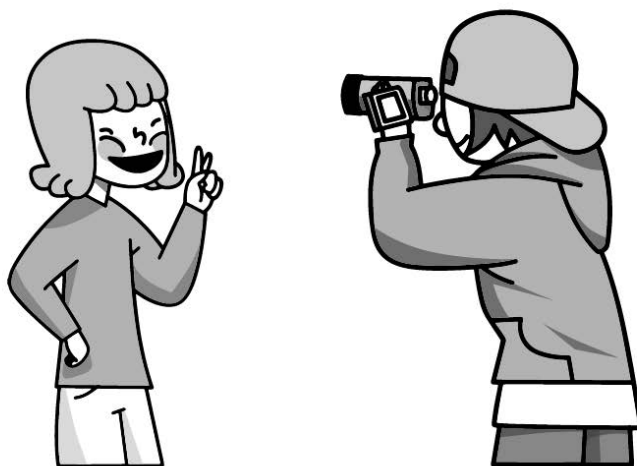

Hi I am Mark. I am from Ireland.

I have two favourite hobbies. My favourite hobby is spending time with my son. I love being with Paul because we are great friends and we have lots of fun together. We like playing video games, reading comics, running, mountain biking and playing instruments together.

Paul loves video games. We usually play video games at the weekends. We love adventure video games and sport video games.

Paul is very good at playing. He is better than me.

On the other hand, my second favourite hobby is meeting my friends. I am a very sociable person and I like to be with my friends. I usually meet them three times a week after work. We usually do some exercise together. We love running, swimming and mountain biking. Sometimes, we go to the mountains at the weekend. It's fantastic!
