# WATCHING TV

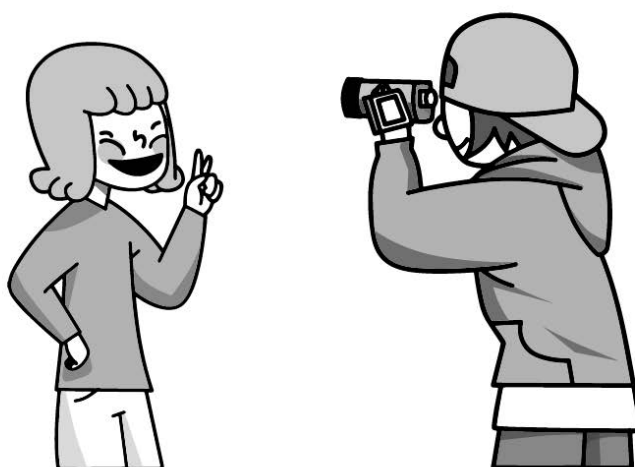

Hello, I am Mark. I am Irish. I like watching TV. It is not one of my favourite hobbies but I like it.

I usually watch TV every day. Nowadays, I watch less TV than years ago. I usually watch lots of programmes on the Internet.

I like all kinds of programmes but my favourites are movies and the News. I love adventure movies. My favourite one is “Robin Hood”. I love it. I love the plot and the characters. I think it’s a great movie.

Also, I like the News. I usually watch the News twice a day. I watch the News in the morning. I love watching the News on television while drinking a cup of coffee with milk.

I usually watch the News on TV in the morning and in the afternoon after having lunch. Also I usually watch TV in the evening before going to bed. I love sitting on the sofa with my wife Ann and watching a movie. Sometimes, we fall asleep.
