# FREE TIME

Hello, my name is Mark. I am Irish. I love doing lots of activities in my free time.

My favourite activities are playing video games and meeting my friends. I love my friends.

I usually play video games with my son Paul. Paul loves video games too and we have lots of fun. We usually play video games at the weekends. We love adventure video games and sport video games. Paul is very good at playing. He is better than me.

Also, I love meeting my friends. I usually meet them three times a week after work. We regularly do exercise together. We love running, swimming and mountain biking. Sometimes, we go to the mountains at the weekend. It's fantastic!
