BEST CITY

Hi, I am Mark. I am from Ireland. I have travelled a lot and there are lots of cities that I like but probably one of my favourite cities is San Jose, the capital city of Costa Rica. I visited Costa Rica two years ago I loved the city and the country.

San Jose isn't a very big city but it is very beautiful.

I visited Costa Rica because John, one of my best friends lives there with his wife Elena. They live in the city centre of San Jose.

I liked the city because it isn't a very busy city. There are lots of things to do in San Jose. There are lots of cinemas, theatres, shops and restaurants.

Also, I love San Jose because one hour from the city, you can see a volcano, rainforests, beautiful beaches and amazing natural parks like Tortuguero.

San Jose is a fantastic city.
