# BIRTHDAY

Hello, my name is Mark. I am Irish.

My birthday is one of my favourite days of the year. For me it's great because I can see lots of my friends. I love my birthday. It is on May 21st.

I usually celebrate my birthday with a big party. We celebrate the party in a park next to my house. It's really good because the weather is usually sunny in May and kids can run and play in the park.

I celebrate my birthday with my wife Ann, my son Paul, my parents and all of my friends. They usually give me presents for my birthday and I love it but the most important thing is that we are all together. I always have a chocolate cake with candles. I love blowing out the candles. There are balloons, decorations, sandwiches and drinks in the party. My birthday is great!
