# BEST QUALITIES

Hello, my name is Mark. I am from Ireland. I think I have some good qualities. I am honest, friendly, funny, patient and creative.

It's a difficult question for me to answer what my best quality is. I like when people say that I am honest and patient. I really think that these are very important qualities in a person.

However, I am a musician and a writer so being a friendly and creative person is very important for me and for my job.

I am friendly; I love my family and my friends. I always want to be very positive and polite to people. My friends say that I am a very good friend. I am a good listener. I like listening to them when they have a problem.

I am also a creative person. This is one of the most important qualities I have because I am a musician and I need to be creative to play the guitar and compose songs.
